

Canvera

is now bigger with

My Dear Partner,

I am proud to announce that Canvera has decided to join hands with Printo,

India's largest print chain, to create India's biggest digital print company.

As the new CEO of Canvera, I am delighted to be part of such a talented network of photographers. It is you who made us the brand we are today!

Canvera will continue to increase its range of high quality, innovative photo books. I promise to improve our quality of printing and bringing in new photobook innovations. Where we have dropped in service, we will work hard to maintain the high standards that you have come to expect from Canvera.

For the above I need your help. Please email me feedback and suggestions on ceo@canvera.com and I will read each one of them.

Canvera is bigger and stronger now. Together, let us create and preserve outstanding wedding memories!

Warm regards,

Balu Iyer
